

School Improvement Contributions

We are thrilled to offer this new option for giving during the Gladiator Gala. Have you ever looked around school and thought, “I’d like to fix those basketball hoops!” or “We could sure use a better fence here!”? The school improvement contributions table is for you.

Please note that this is not part of the silent auction, but a donation designated to an improvement of your choosing through Christ Classical’s annual fund, Pursuit. We are excited to honor the families who donate here in the school newsletter, as well as naming opportunities in gratitude to the generous families and individuals.

Instructions: Please write either your name or bid number (If you would prefer to remain anonymous) and your contribution amount. Donations of any amount are welcome. You then have the option of using the QR code to donate digitally or if you prefer another payment method Christ Classical is happy to contact you within five business days to complete the contribution.

Thank you for partnering with Christ Classical Academy and go Knights!
